Thank you so much for participating in an evening discussion with the members of Midcareer #100. It was a very special evening for the class to have had you, a member of the first Midcareer, share with them your past experiences and the problems, issues and challenges you were dealing with when you were a Midcareerist.

The evening spent with you was one of the highlights of the course. I appreciate the time and effort you devoted to the program.

Sincerely,
